

Supply Nation

Festive Season Catalogue 2025

Supply Nation acknowledges the Traditional Owners of Country throughout Australia, where we live, work and are visiting from. We acknowledge the continuing connection of Aboriginal and Torres Strait Islander peoples to land, sky, waters and Community, and pay our respects to Elders both past and present.

Artwork story: Wakulda 25

Wakulda translates to 'As One' in Gathang, the language of the Birrbay, Warrimay and Guringai peoples.

This artwork illustrates the connectivity of the festive season between communities. Despite coming from different nations with unique lands, languages, stories and practices, the core essence of this season reaches all, as we welcome the New Year 'As One'.

This artwork was created by Supply Nation Graphic Designer Tarran Marr-Harris, a proud Birrbay, Warrimay and Dhanggati man. Tarran envisions the design as a continuation of the 'Wakulda' story — evolving and expanding each year.
