

# Australia's leader in supplier diversity

Since 2009, Supply Nation has worked with Aboriginal and Torres Strait Islander businesses and procurement teams from government and corporate Australia to help shape today's rapidly evolving Indigenous business sector.

## Our mission

To support a prosperous, vibrant and sustainable Indigenous business sector

Manage Australia's largest directory of verified Indigenous businesses through our world-leading 5-step verification process

Facilitate connections between Indigenous businesses and our corporate and government members

Drive understanding that purchasing power can be used to deliver positive social outcomes

## Our method

The Big Rocks and Pebbles framework sets key organisational goals and actions

### Big Rocks

Grow the Indigenous economy and support stakeholder capability

Focus on quality relationships and continuous improvement in our services

Implement ways of working and an organisational culture fit for anticipated growth

### Pebbles

Revitalise member and supplier training programs

Support suppliers to take advantage of emerging opportunities

Advocate for supplier diversity and Indigenous business

Develop member and supplier pipeline strategies

Formalise an engagement plan for ecosystem stakeholders

Streamline key processes through digitisation, automation and AI

Implement and evaluate our quality management system

Foster an inclusive and culturally capable workplace
